Course Syllabus

MNY101 Money Basics. A sample document written for trying Smazy. It is not a real course.

About the course

Money Basics introduces what money is, how interest works, and how to plan a personal budget. There are three lectures.

Schedule

- Week 1: Lecture 1, What Is Money?
- Week 2: Lecture 2, Interest and Time. Homework 1 is set.
- Week 3: Lecture 3, Budgeting and Saving. The course project is set.
- Week 4: Homework 1 is due on Monday. The course project is due on Friday.

Assessment

- Homework 1: 30%
- Course project: 50%
- Class participation: 20%

Policies

Late work loses 10% for each day it is late. Work must be your own. You may use a calculator or a spreadsheet for every assignment.
